## AFTER SCHOOL PROGRAM

### **Cecilia\***

*Cecilia\* dreams of earning a degree from the University of Washington and becoming a third-grade teacher. As a first-generation student and the eldest among her siblings, Cecilia will be paving the way for them. Cecilia dedicates her accomplishments to her parents who emigrated from Mexico so that their family could have a better future.*

*Cecilia enrolled in our After School program when she was in 7th grade. Since her enrollment, she is more confident than ever. She has kept her grades up, worked on her public speaking skills, and co-created a positive space with her friends. Cecilia's fondest memory of her time in the After School program was the countless art projects. As shy and quiet as Cecilia can be, you know things were going well for her when she chuckles. We wish all the youth, including Cecilia, all the best as they transition from middle to high school. Echale ganas, Cecilia!*

## LETTER from the EXECUTIVE DIRECTOR AND BOARD PRESIDENT

Estimad@s Amig@s,

Through the immense challenges of 2020, we saw your love, your support, and your genuine care in a year filled with pain, tragedy, uncertainty, and continued systemic racism. Our community always finds ways to create hope, solidarity and resistance. We were unified. We were strong. We were resilient. We saw mutual support and dedication to one another, to family and to community. **We found new ways to fight and to believe.** To grow and to heal. I am inspired by our collective drive and reminded deeply of the mutualistas-beautiful mutual aid societies, created by our ancestors, to watch over the working class. There are fewer of these societies now, but their spirit lives on through the steadfast personal responsibility of generous people like you. You continue to make us home for many, both in-person and now virtually.

**With sincere gratitude to you, we were able to support our community in crucial ways:**

- Providing **\$1,212,716.00 in rental assistance** to help families remain housed, combating a record-breaking year of displacement and evictions.
- Providing **\$580,000 in food assistance** to 6,110 to help feed families and restaurant workers.
- **Distributing over 30,000 masks** to our community to keep everyone safe.
- **Delivering over 103,740 diapers to mothers and families** to keep our young ones happy and healthy during the pandemic.
- **Preparing over 9,270 meals** for delivery and pick-up through our Senior Program, giving nutrition to elders in our community.
- Advocating and raising voices and concerns from our community to help affect positive legislative change around environmental, health equity, and voting access, and housing security.

We invite you, our Beloved Community, to read more about your accomplishments in this 2020 annual report. As you read, we hope you feel the power of your impact and see the effect you have had on the community and our organization. While standing up to systemic oppression and surviving a pandemic that revealed inequity in every corner of our world, you helped create opportunity, hope and community for 21,175 individuals and 7,491 families through our 43 programs and services.

This year, through the Emergency Response Fund, our staff made significant changes and commitments to adjust to the different and evolving needs of our community throughout the pandemic. We can't thank them enough for the time and energy they put into making vital resources available. Our employees, volunteers, funders and donors did not miss a beat in taking on the responsibility of holding up our community. We are so appreciative of your devotion and support. We continue to depend on you. ¡Viva the Beloved Community!

Respetuosamente,

**ESTELA ORTEGA**  
Executive Director

**ROXANA AMARAL**  
Board President

## EMERGENCY RESPONSE FUND

### **Adrian\***

*Adrian\* worked two jobs to meet his family's needs. Due to the pandemic, he lost one of his jobs and his family of five was significantly impacted. He lost his second job after the Stay Home Stay Healthy Order's extension.*

*Adrian was increasingly stressed and concerned about their situation. He had to somehow make rent, in addition to buying groceries and paying for utilities. Your support of our Emergency Response Fund made it possible to provide Adrian's family with food and rental assistance. He said, "Mi vida ha cambiado drásticamente por la mejor." (English translation: "My life has changed drastically for the better.")*

*Adrian feels blessed that El Centro de la Raza understands and meets the community's needs. El Centro de la Raza is also providing Adrian's eldest son a laptop so that he can continue his education from home.*

## BUSINESS OPPORTUNITY CENTER

### **Sabor Delicioso**

*Early on in the pandemic, the Business Opportunity Center contacted Sabor Delicioso co-owners, Hilda and Lourdes, with good news to share. Hilda and Lourdes breathed a sigh of relief: the City of Seattle approved their small business to receive a total of \$10,000 in funding and mitigate the loss of their income caused by COVID-19. With that money, they:*

- Paid for food permits and licenses
- Paid rent, utilities, and transportation
- Recouped their loss in revenue from catering and other events

*Our BOC staff helped Hilda and Lourdes by providing hours of assistance over a conference call to translate and offer guidance in applying for the City's Small Business Stabilization Fund. El Centro de la Raza's Business Opportunity Center continues to help small businesses owners apply to grants and loans.*

# BUILDING THE BELOVED COMMUNITY GALA | OCT 10, 2020

**T**he Building the Beloved Community Gala is typically one of our **largest events**. This year, with a dedicated team and the help of volunteers, we pivoted to a virtual event to protect the health and well-being of supporters and staff. With over 400 registered guests, the live program was streamed on YouTube. Thanks to your generosity, El Centro de la Raza raised \$296,000 to benefit the program and services that are more important than ever. Thanks to your generosity, this virtual event was a success.

Mil gracias to our sponsors, team captains, virtual table sponsors, speakers, donors, volunteers and supporters who made this event possible. We enjoyed the opportunity to connect with our community members safely for this annual celebration and fundraiser.

Felicidades to our Roberto Felipe Maestas Scholarship recipients: **Gabriela Barrera, Britney Bustamante, Jennifer Cruz, David Garcia, Karla Garcia, Tatiana Guio, Lucas Lopez, Karely Marin, Nathan Nhem, and Shayla Pebeahsy**. Each one of them were awarded \$1,000 toward their post-secondary education.

Roberto Maestas' life was dedicated to building Martin Luther King, Jr.'s "Beloved Community" through multi-racial unity. He deeply believed that poverty, racism, and social inequity could only be eradicated if people of all races and backgrounds came together to do so. In his honor, the Roberto Felipe Maestas Legacy Award recognizes individuals who have advanced the work of Building the Beloved Community. El Centro de la Raza celebrated the 2020 recipients **Ginger Kwan, Luis Rodriguez** and **Leona Moore-Rodriguez** and their contributions by making a \$1,000 gift in their name to a nonprofit organization of their choice.

## TOTEM AFTER SCHOOL PROGRAM

### **Middle School Youth**

On March 17, 8 middle school youth from the Totem After School Program attended Latino Legislative Day Leadership workshops.

To their surprise, the workshops were completely led by high school youth. Among the topics discussed were Anti-Blackness in Latinx communities, mental health, and environmental justice. As youth left the workshop they shared with the facilitators, "I learned A LOT today, I'm glad I was here".

During reflections the next day in the after school program, youth wanted to know how they could get to that level, "How do I facilitate a workshop like them when I grow up?" youth were reassured, they are already capable and on track to lead their own workshops. The lessons offered during the cultural enrichment segment are providing youth a social justice framework.

## SENIOR PROGRAM

### **Javier\***

People at El Centro de la Raza care about us, says Javier\*, 60, who has joined us during the Senior Program lunches since September 2020, after some friends told him about it. El Centro de la Raza's Senior Program regularly provides meals, community building, nutritional and well-being support, and more. The program had to pause many in-person programming for seniors this year due to COVID-19. Still, it continued providing nutrition and sustenance to the elders in our community through lunches for pick-up five days a week. Javier says that the free hot lunch five days a week has helped him emotionally through difficult times. He made a point to mention the care Flor, one of the coordinators of our lunch program, gives to the community. Javier feels the program is like a blessing to him.

## VACCINE SUPPORT

### **Piedro\***

*Piedro\*, 67, says he found out about El Centro de la Raza's senior program through a friend. He started joining us for the program's hot lunch in September and was recently able to receive his vaccination at one of El Centro de la Raza's many vaccine clinics. Piedro says picking up lunch from the senior program has helped him with many resources, most notably supporting him in signing up and getting his COVID-19 vaccination. Health is a big focus for our Senior Program, and for our seniors, who are the most vulnerable to the COVID-19 virus, making vaccines available is vital. Piedro says he is happy to be part of the community present for lunch and has enjoyed the other activities the lunch program has had for seniors during the 11a-1p M-F schedule, including dancing and painting activities.*

## ROBERTO FELIPE MAESTAS SCHOLARSHIP RECIPIENTS

### **2020 Graduates**

*The graduating classes of 2020 celebrated their accomplishments like no other classes before them due to the COVID-19 crisis. Reaching this milestone is a rite of passage and a celebration of the courage, perseverance, and effort to overcome hardships and unjust barriers stemming from systemic oppression.*

*This year's Roberto Felipe Maestas Scholarship recipients are helping to build the Beloved Community by fighting for justice and generational healing. They have already shown promise as young community organizers, advocates, educators, leaders, and executives.*

## our impact

In March of 2020, the COVID-19 pandemic escalated quickly, and our staff, volunteers, donors, and the community acted immediately.

We are so grateful for the calls, emails, and donations we received as soon as we launched our **Emergency Response Fund**.

Although we saw our community hit unjustly and disproportionately by the pandemic and the systemic problems that prevented proper care of our communities, we were also able to help. Here are some beautiful examples of the impact that your urgent support provided our community.

## THE PLATE FUND

*El Centro de la Raza is grateful to have been part of The Plate Fund. The Plate Fund has been providing immediate one-time payments of \$500 to restaurant workers who have been hardest hit by the COVID-19 pandemic in King County through community-focused organizations like El Centro de la Raza. For many, these payments help “bridge the gap” between the time they received their last paychecks and when they have access to federal stimulus payments and/or unemployment insurance benefits. For others, this is the only money they receive.*

**El Centro de la Raza has supported in providing 852 community members with**

**\$500 gift cards** totaling \$426,000 of assistance.

Thank you to the **Schultz Family Foundation** in partnership with the **Seattle Foundation**, **#allinseattle**, and **UpTogether** for their organization of this program.

# OUR PLACE IN HISTORY

From the beginning (est. 1972), El Centro de la Raza (The Center for People of All Races) has provided a gathering place for Seattle's otherwise dispersed... and in 1972, largely invisible Latino community and has welcomed all individuals with open arms.

Around this time was the beginning of Seattle's iconic *Gang of Four*, **Bernie Whitebear**, **Bob Santos**, **Roberto Maestas (Founder of El Centro de la Raza)**, and **Larry Gosset**, setting a new precedent for many multiracial coalitions and nonprofits in Seattle.

Today, El Centro de la Raza is home to all peoples and a place for all to find support. Our organization provides 43 community-based programs that have created space to advocate for civil rights, environmental justice, social justice and undoing institutionalized racism in Seattle and beyond.

In 2022 we are proud that El Centro de la Raza will be celebrating 50 years of work in our Beloved Community! Stay tuned for ways to celebrate with us including a history panel, a signature gala event, cultural events, a block party and much more!

## our facilities

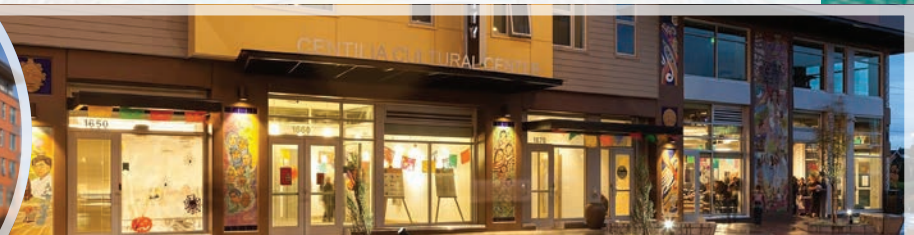

El Centro de la Raza's historic building in Seattle and our Federal Way office have been closed to the general public since the stay-at-home order. Our food bank, executive office, fiscal office, facilities, child development programs and housing have remained open onsite throughout the pandemic while the rest of our staff continue to work remotely to provide our 43 programs and services. Please visit our website for more information about our COVID-19 response.

Prior to the stay-home order caused by the COVID-19 pandemic, El Centro de la Raza was on course to provide thousands of hours of affordable and donated space in our historic rooms and our Centilia event space to important community groups in Washington. Although events were halted in March for the safety of our staff and community, we are proud of the space we provided from January to March. This is what we provided prior to the stay-at-home order.

### FACILITIES USE

**Historic building:** 591 hours of affordable meeting and event space to community groups from Jan-March | 30% of those hours provided at no cost.

**Centilia Cultural Center:** 28 community groups  
40 bookings | 195 of rental hours  
In 2021, we continue to host free community vaccine clinics in our Centilia Cultural Center.

## Sensitive Location/ Lugar Protegido

For purposes of immigration enforcement policy, **El Centro de la Raza** is a sensitive location, like any other school.

Para efectos del cumplimiento de las políticas de inmigración, **El Centro de la Raza** es un lugar protegido como cualquier escuela.

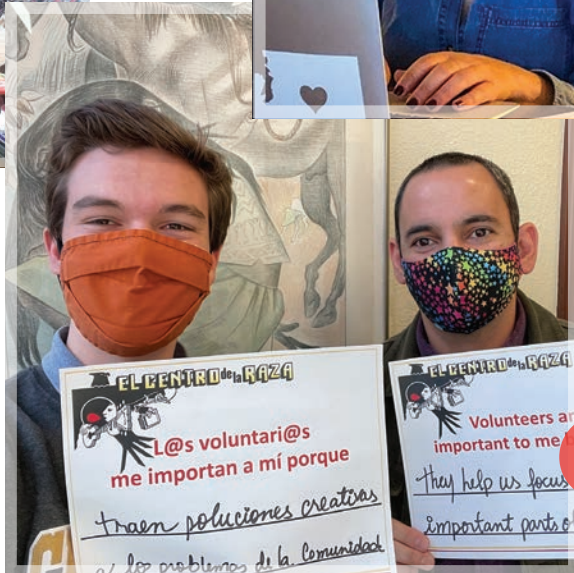

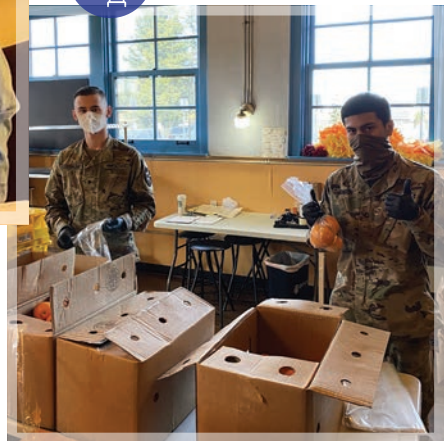

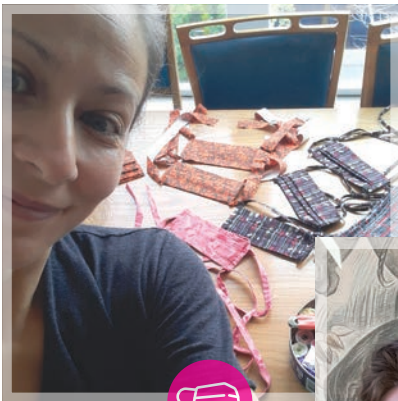

# MIL GRACIAS TO OUR VOLUNTEERS!

**M**il gracias to to the 292 volunteers who provided 7,798 hours of service in 2020. The Independent Sector estimates the total value of these service hours at \$263,182! You are an **essential part of our familia**. Your time, energy, passion and skills help us build the Beloved Community. We value everything you do for El Centro de la Raza, such as supporting our food bank, various programs, virtual auction gala, bilingual legal clinics, tax preparation, our after school programs and more. Of course 2020 was no ordinary year, and during this unprecedented crisis, you helped make masks, deliver food, translate essential public health information, support our online programming and classes, and make phone calls to help people complete the Census and DACA renewals. Additionally, in preparation for the 2020 election, a dedicated team of bilingual volunteers helped with our voter education and voter registration campaign. After registration campaign add: "In spite of Covid-19 our volunteers were as connected and active as ever in-person and virtually."

In total, our  
volunteers provided  
**7,798**  
hours of invaluable  
services including:  
creating masks,  
delivering food,  
supporting online users,  
and phone calls  
valued at  
**\$263,182**
